Apologies: Cllr Appleyard

1. Membership of Review Group

Mr Robinson, Ms Hindle and Mr Walton were co-opted as members of the Review Group with immediate effect.

2. Terms of Reference of Review Group

Noted.

3. Local Plan – Update and Timescale

Cllr Naylor gave an update on the Local Plan review process and timescale with reference to a Gantt chart published by BMDC. It was noted that the earliest date for adoption of the revised Local Plan was December 2021.

4. Programme of Work

It had been confirmed that work to modify the Neighbourhood Plan, once adopted, could proceed concurrently with BMDC's reviews, and Cllr Tennant affirmed the Parish Council's intention to start work on re-introducing site allocations into the Plan when possible. After discussion, the Clerk was asked to liaise with Kirkwells to investigate the means of preparing a brief for assessing the viability of the original sites included in the preferred options draft of the Plan.

It was proposed that work on assessing potential green belt sites, for the purpose of informing and challenging BMDC's review of the green belt, could proceed as soon as Bradford's revised methodology was made available, and it was agreed to use local landscape consultants to carry out the work. Cllr Naylor undertook to request a copy of the methodology from officers.
