

# Tour de Yorkshire - Essential Information for Addingham Residents

**Tour de Yorkshire**  
is coming to  
**Addingham**  
Sunday 3rd May  
**Come and enjoy the fun, so good, it's back again!**

Dear Friends,

After the great success of the Tour de France last year, we are honoured to have the inaugural Tour de Yorkshire coming through the village on Sunday 3 May.

The race will pass through at about 3-30pm, coming down the village from Silsden and moving on to Ilkley. Addingham Main Street is to be closed from 9-00am till 5-00pm with no cars to be parked from 6am. Affected residents will be notified separately by Bradford Council.

In addition to the professional race coming through at 3-30pm, there is **The Maserati Tour de Yorkshire Ride** or "sportive". This is for 6,000 amateur riders, 4,000 of whom will be passing through Addingham throughout the morning. However, this was well over-subscribed; apparently 15,000 people applied and no doubt a lot of these will take part anyway, so it is likely to be extremely busy. It is suggested that you plan ahead if you wish to travel far on **Sunday 3 May**. Please ensure your friends and family are aware of this if planning a visit.

The 18 professional teams are of a very high caliber and include Team Sky and Sir Bradley Wiggins' own team: Team Wiggins. Yorkshire's Olympic Gold Medallist Ed Clancy will race for JLT Condor.

**Public Transport** - Buses during this road closure period (9am to 5pm) will operate along the A65 Addingham bypass.
